

# SOCIAL NARRATIVE: GOING TO LIFELINE THEATRE

Welcome to Lifeline Theatre!  
We look forward to having you  
attend *You Think It's Easy Being The  
Tooth Fairy?* on April 15<sup>th</sup>.

# LIFELINE THEATRE

I am going to Lifeline Theatre to see a play.

## GOING TO THE THEATRE

My family will drive, take a bus, or take a train to the theatre. If we drive to the theatre, my family might park our car in a parking lot and the Lifeline van will drive us to the theatre.

# RAMP

When I arrive at Lifeline Theatre, my family and I will walk up a ramp and enter the building.

## LOBBY

When I go into the theatre, I will be in the lobby.

## GETTING TICKETS

My family and I will go to the box office to get our tickets to the play.

## QUIET AREA

The lobby may be crowded and noisy. If I don't like the crowd, I can go to the quiet area.

# BATHROOMS

The bathrooms are in the lobby.  
I can use the bathroom at any time.

## USHERS

When it is time to go into the theatre, I will give my ticket to an usher and they will tell me where my seat is.

## SEATS

I will go up steps to my seat.

The seats in the theatre have blankets on them that I can use if I get cold.

## STAGE

The play will happen on the stage. I will wait with my family in my seat until the show starts. If I need to leave the theatre, I can go out the way I came, but I can't go past the yellow line.

## USHER SPEECH

I will know the play is starting when the usher talks onstage.

## SCENERY

When I come into the theatre I will see a large backdrop that is close to the seats. I can look at the drop, but I should not touch it.

## SCENERY

During the play the actors will take the backdrop down and I will see the rest of the stage, which is Command Central for the Tooth Fairy. There will be two large panels with colored windows, a circular platform (where the Tooth Fairy flies) and a desk with many different buttons and lights that will change colors.

## DEW DROP (D.D.)

Dew Drop is a fairy that wants to become the Tooth Fairy. She is very excited and loves fancy dresses and sparkles. Dew Drop is called D.D. for short.

## THE TOOTH FAIRY (T.T.F.)

The Tooth Fairy is in charge of collecting teeth and leaving quarters for children while they sleep. The Tooth Fairy is very good at her job and likes to be in charge. The Tooth Fairy is called T.T.F. for short.

## LIGHTNING BUGS

There are three Lightning Bugs that help T.T.F. do her job. The lightning bugs wear a fake bug butt that will light up during the show.

## FLASH

Flash is a lightning bug that is in charge of security. He helps T.T.F. sneak into houses at night and get past pets. Flash is loud and athletic.

## FRESNEL

Fresnel is a lightning bug that is in charge of the computers. He helps T.T.F. know which houses to visit. Fresnel is very smart and uses big words when he talks.

## TWINKLE

Twinkle is a lightning bug that keeps track of the teeth T.T.F. collects and the quarters she gives out. Twinkle is very friendly and likes to make muffins to share.

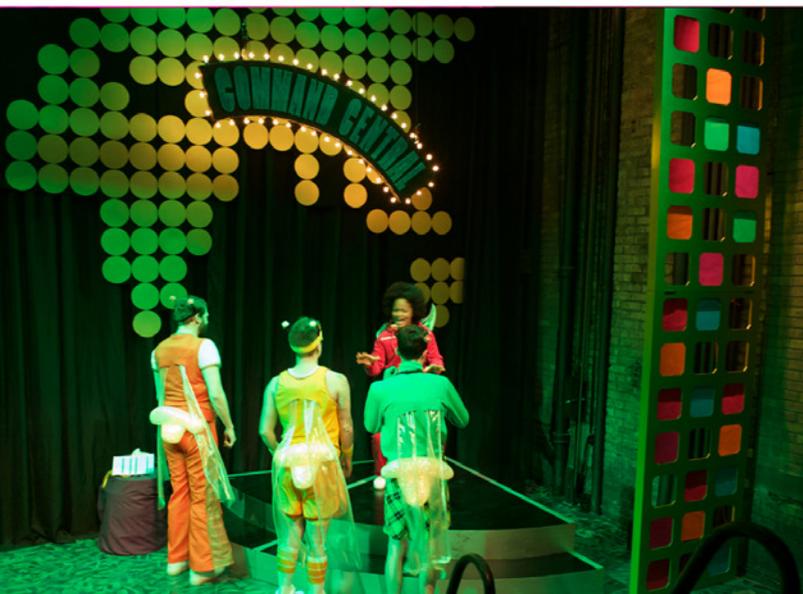

## FAIRIES

Dew Drop lives in the forest with other Fairies. The fairies like to sing and are excited when they find out that the Tooth Fairy is hiring another fairy to help her.

## ACTORS ON THE STAIRS

During the play the actors might enter and exit through the audience. The actors might talk directly to me, but they won't hurt me.

## LIGHTS & SOUNDS

The lights will sometimes change colors during the play. The music and singing may sometimes be loud. If it is too loud I can ask for headphones to make it quieter. Sometimes people will clap after a song.

## PROPS

The props that the actors use will be very large to make it look like the fairies and lightning bugs are small. They will use props that are fake when they are training DD to pretend to dodge a cat, practice collecting teeth and flying to the different houses.

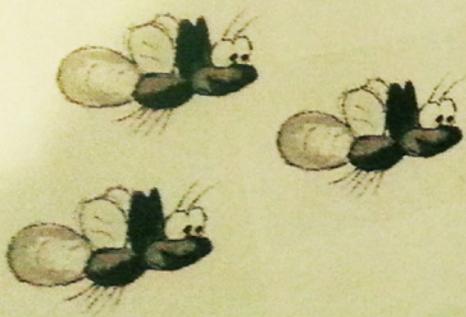

## BOWING

After the play is over, the actors will bow and I can clap my hands.
